

Ref. 1314

# COMPACT SOLID

## Compact solid dishwashing detergent.

Ultra-concentrated solid dishwasher for professional washing of glassware and crockery, effective in all kinds of water. Product in the form of a cartridge designed for front-loading industrial machines. Formulation based on buffer technology that allows a slow and regulated dosage. Its high content of next-generation sequestrants eliminates and dissolves grease and persistent dirt like coffee. In addition, it considerably reduces the consumption of rinse aid.
