# OXY SAFE

## Ultra-concentrated activated oxidiser.

It's an ultra-concentrated high-performance oxidiser stain remover and sanitiser based on activated oxygen. Its formula removes all kinds of pigmentation spots on white or coloured fibres. Boost effectiveness in all water hardness at a temperature between 30 and 50 °C. The product has been formulated to be applied with **PGS Systems** dosing equipment. Available with eco-friendly bag-in-box by **ECO SAFETY®** for safer and more sustainable application.
